Contents

This is my 1st LaTex document.

Suppose we are given a rectangle with sides: $(x + 1)$ and $(x + 2)$.

x	1	2
$f(x)$	2	3

$$
\begin{aligned}
5 + 3 &= 8 \\
45 - 563 &= 32
\end{aligned}
$$

1. hi

2. there

    (a) foo

    (b) baz

    (c) hex

3. ohhh

4. foo

hi   hooo

ho   ttttt

This is *itelicized*.

This is **bold-faced**.

This is SCDFDF.

This is `url:go.com`

<div align="center">This is in the middle!</div>

This is on the left!

<div align="center">This is in the middle!</div>

1 The next step!

1.1 Step?

2 The last step!
